## The New Hexagon English Paper Piecing

All Levels

Instructor: Barb 1 Session Fee: \$30  
September 11th  
Monday 6:00 – 8:00 PM

English Paper Piecing (EPP) is once again popular — with an exciting difference. No longer are we creating using only hexagons, now we have the adventure of working with half hexagons, parallelograms, kites, triangles, . . . the list goes on, and we'll be using the no basting method. The New Hexagon book provides us with 52 different 6" hexagons to create a stunning quilt when completed. This new BOM started in November with blocks 1—4 (four blocks per month) but it's certainly not too late to join the fun. Classes will be held in case you're looking for some guidance on the kick-off of your adventure.

## Quilt Tops & Projects

### Jewel Stripe Table Topper

All Levels

Instructor: Vicki 1 Session Fee: \$30 + Pattern  
July 22nd  
Saturday, 1:30 – 3:30 PM

Here's another great project using a border stripe fabric. This table topper goes together very quickly and finishes nicely with simple quilting. Uses the Hex N More ruler and only 2 fabrics. Make one for yourself and one for a gift!

### NEW Waiting

All Levels

Instructor: Cindy 1 Session Fee: \$30 + Pattern  
August 14th  
Sunday, 6:30 – 8:30 PM

Waiting is a 64 x 64 inch coverlet with scalloped edges and a very colorful center. It is made completely of classic kaleidoscope blocks. With careful color placement curves will emerge, even though there are no curved seams. This produces a truly kaleidoscopic design and will be a dazzler in your home. A 45° kaleidoscope ruler is a requirement for accurate cutting. Kits that match the store sample are available, or you can choose your own fabrics.

### NEW Laura Heine Collage Class

All Levels

Instructor: Vicki 1 Session Fee: \$30 + Pattern  
August 20th  
Sunday, 1:30 – 4:00 PM

If you are looking for a change of pace, come and try making a collage quilt. We will be "Making Fish" following the Making Fish pattern by Laura Heine. You can make fish into placemats like we have done, or you can make even more fish for a runner, topper, wall hanging or quilt. You will learn the steps to launch you on your own creative collage journey! If you have a different Laura Heine collage pattern we will help you with that as well. Kits for Making Fish like the store sample are available.

### Fabric Fusion

All Levels

Instructor: Nancy 1 Session Fee: \$30 + Pattern  
August 24th  
Thursday, 6:30 – 8:30 PM

This 57-1/2" x 78" quilt showcases feature fabrics in a dramatic way. Why limit your fabric choices? Combine styles — traditional, floral, modern, or even hand-dyed — based on color, scale, and intensity, and unite them with skinny sashing. Or you can make it easy on yourself and use one of our fabric kits that looks like the store sample. Either way, a fun class that will teach you how to keep blocks square when adding sashing.

### Beginning Quilt Making

Beginner

Instructor: Karen 7 Sessions Fee: \$75 + Book  
September 12th, 19th 26th, October 3rd, 10th, 17th, 24th  
Tuesday, 6:00 – 9:00 PM

Step 1: A machine pieced quilt top. In this class we make a sampler quilt top of 9 different blocks, blending time honored skills with updated tools and techniques. Basic quilt making covers the topics of supplies, tools and fabric, rotary cutting, machine piecing, quilt top construction, border application and binding. Our class will discuss quilting options for Step 2 — finishing your sampler quilt top. Join us to help develop skills, achieve accurate results and increase confidence in quilting.

### T-Shirts Basics

All Levels

Instructor: Jill 1 Session Fee: \$30  
July 16th  
Sunday, 1:30 – 3:30 PM

Are you still wondering what to do with all of the T-shirts or old clothes you have saved over the years? Maybe it's the kids' sports, or a special occasion coming up, or perhaps cherished memories of someone no longer here. This class will demonstrate the techniques for fabric preparation, block design, and products and tools available to truly customize your quilts. Several ideas, patterns and free flow designs will be discussed and shown. You will have the opportunity to design and sew 2 to 3 twelve inch blocks during class, each with a different technique — or all the same, your choice.

### Machine Quilting

All Levels

Instructor: Sandi 1 Session Fee: \$35 + Pattern  
August 22nd  
Tuesday, 6:00 – 8:30 PM

Too many quilt tops and not enough time? Tired of machine quilting "in the ditch"? Well, drop those feed dogs and take off with all the lovely quilting stencils that you really want to use. This hands-on class will focus on freehand quilting with information and demonstrations of quilting with a darning foot, nylon thread and various other specialty threads. Proper techniques for quilting full sized quilts will also be discussed. Students must know how to remove, cover or lower feed dogs and must have a darning foot.

### Paper Piecing

All Levels

Instructor: Cindy 1 Session Fee: \$30 + Pattern  
August 28th  
Monday 6:30 – 8:30 PM

Have you been eyeing all the very cute paper pieced wall hangings by MH Designs in the shop and want to learn how to make them? This is your chance to learn the proper piecing technique to make your first wall hanging. Pick any one you would like to make and the procedure is the same. Choose from the kits we have or pick your own fabrics.

### Zig Zag Ruler

All Levels

Instructor: Joni 1 Session Fee: \$30 + Pattern  
August 23rd  
Wednesday 6:00 – 8:30 PM

Here's another great ruler to add to your tool kit. Once you've learned the Zig-Zag ruler basics, you can make different patterns just by changing the color combinations and orientation of the blocks. There are even patterns available using the "slivers" you cut away when trimming your blocks. We'll be making one block for the Left Right Quilt pattern provided with the Zig-Zag ruler.
