The New Hexagon book provides us with 52 different 6" hexagons to create a stunning quilt when completed. This new BOM started in November with blocks 1—4 (four blocks per month) but it's certainly not too late to join the fun. Classes will be held in case you're looking for some guidance on the kick-off of your adventure.

Antique to Heirloom Jelly Roll Quilts by Pam and Nicky Lintott includes patterns for quilts that might have been discovered hidden in the attic of our grandparents' house or lingering in the backroom of an antique shop. Since most of us were not lucky enough to discover a quilt like this, we can make our own. Reproduction fabrics will give the antique look but contemporary fabrics will make the quilt fun and fresh. Both types of jelly rolls are available for making this lap-size heirloom quilt.

Spring 2017

What's New

Thanks again to all of you for your prayers and support during the month of March. Losing one's Mom is never easy, but because all of you were so wonderful, it truly helped me a lot. Love you all.

We have no new blocks of the month starting in spring, but if you haven't checked out our new ones which began in January, you may want to come in the store and see them. They have been super popular and for good reason! They are all gorgeous! Come in and check them out.

Don't forget the Twin Cities Shop Hop coming up. We have added a bus to our hop. The ad is enclosed. Sign up quickly so you don't miss out. We are all busy planning our demos, so you can quickly learn a bunch of great new techniques. Invite a friend and have a great time at all our stores.

I know you can't wait to get into your gardens and start working, but sewing after that is always good for your soul. I'm here for you!

Happy Sewing! Sue H.
